

Day Camp Field Trips 2018

Week 1: Thursday June 21st

Detroit Dart Club (4th-7th grade): Ever wanted to be a part of a MASSIVE Nerf gun war? Here's your chance! Join us as we head to Detroit Dart Club to run, jump, and hide as we face off in a Nerf gun battle of epic proportions!

LEGOLAND + Sea Life Aquarium (K-3rd grade): LEGOLAND Discovery Center is the ultimate indoor LEGO playground! With two interactive LEGO rides, a 4D cinema, a build and race LEGO car station, and a LEGO town where you can see dozens of Detroit-area landmarks built completely out of LEGO bricks, your child will be immersed in a world of color, creativity and fun. After enjoying the morning at LEGOLAND, we will head over to explore the Sea Life Aquarium. With over 250 different species of sea creatures and ten engaging exhibits, your child will get an up close look at life under the sea. A hot dog lunch will be provided.

Week 2: Thursday June 28th

Canoe Trip (4th-7th grade): This week we'll take an outdoor adventure with Heavner Nature Connection. After learning about the canoe and how to work in teams to control it, we will set off down the river to watch for animals and enjoy being fully immersed in nature. Once we reach our destination we will take a break, enjoy a picnic lunch, and play some games before we hop back into our canoes and let the current take us home. Picnic lunch provided.

DNR Outdoor Adventure Center (K-3rd grade): The Outdoor Adventure Center is an innovative hands-on destination for kids to experience and learn about Michigan's great outdoors. Kids will take a kayak trip down a river, ride a snowmobile, or give hunting a try by hopping on one of the many available simulators. From fish to elk and forests to lakes, your child will get to experience northern Michigan, downtown.

Week 3: Thursday July 5th

AirTime Trampoline & Game Park: AirTime Trampoline & Game Park is a high energy trampoline and music experience unlike any other! Imagine getting your bounce on surrounded by wall to wall trampolines with the speakers pumping out your favorite songs.

Week 4: Thursday July 12th

Dave & Busters: We'll have an unforgettable afternoon at Dave and Busters! We'll enjoy a private party room with a full buffet for lunch and unlimited use of all non-ticket games. It's going to be EPIC!!!

Week 5: Thursday July 19th

Imagination Station: Come and unlock a world of exploration and discovery at Toledo's Imagination Station! There are hundreds of interactive, hands-on exhibits including the energy factory, water works, and an entire wing dedicated to learning how the brain works!

Week 6: Thursday July 26th

Detroit Zoo: Let's go to the zoo and get our daily dose of Vitamin Z! Today we're going to experience it all: from the Antarctic to the outback, to the rainforest and back again! Join us as we make a day of it learning all about the different creatures that inhabit our world along with us.

Week 7: Thursday August 2nd

Rolling Hills Water Park (4th-7th grade): Rolling Hills Water Park is your ticket to wet and wild summer fun! Float down the lazy river, catch a wave in the wave pool, take a trip down one of our awesome water slides, play on the spray grounds, and much more!

Splash Universe (K-3rd grade): Escape with Shine to Splash Universe Indoor Water Park where it's always a summery 84 degrees! As you plunge down the mysterious snaking slides, bound across the Log Walk, lazily float along River Raisin, climb up the nets of the Treehouse, or get drenched by the 500 gallon splash bucket, you will realize that your day at Splash Universe is the Best Day Ever!

Week 8: Thursday August 9th

Adventure Park (4th-7th grade): The Adventure Park consists of ten different "ropes courses" through the trees, of varying challenge levels, from introductory to advanced. After receiving a safety briefing and harness, each climber selects a course at their comfort level and then proceeds to navigate its different bridges, "elements" and zip lines, moving them from tree platform to tree platform.

Bounce! (K-3rd grade): Do you love to run, jump, climb, bounce, tumble and play? Then join us as we head to Bounce gymnastics, the LARGEST gymnastics facility in Livingston County! You can attempt the giant climbing net, jump into the foam pit, bounce on the trampolines and so much more!

Week 9: Thursday August 16th

Castaway Play Café: Castaway Play Café is home to Michigan's largest indoor play structure! Standing 5 levels tall, it offers 4 crazy slides, a suspension bridge, and lots of room to run and climb. We will also enjoy UNLIMITED access to their inflatable zone as well as UNLIMITED laser tag! A pizza lunch will be provided.

Week 10: Thursday August 23rd

High Velocity Sports Explosion: Join us as we take over the High Velocity 110,000 square foot multi-sport facility where we will spend the day playing and learning a variety of sports under the guidance of the High Velocity staff. The sport options will include soccer, basketball, flag football, volleyball, dodge ball and more!
