

Ultimate Tuesday Event Descriptions Shine Day Camp 2018

Wet N' Wild Water Day: Bring your bathing suit and towel and get pumped for an afternoon of fun in the Sun. With a giant foam machine, loads of super soakers, water balloons, and a 50 foot slip 'n slide, you are sure to have a great time!

Animal Magic: Mark Rosenthal, a professional animal educator and entertainer, will give us an up-close experience with some of the world's most exotic animals. Mark's unique blend of exotic animals, life sciences, and magic have made him one of the most sought after acts in the country! In 2017 Mark was named Nickelodeon's Michigan Entertainer of the Year.

Backyard Olympics: This year's Olympic games will be over before our summer kicks off, but that doesn't mean we can't celebrate them anyway! This Ultimate Tuesday will spill over into the rest of our week as we form teams and compete in all sorts of Olympic events like zorb racing and nerf gun biathlon. Stay all week and see who will get the gold!

The Amazing Race: On your mark, get set, GO! Join us for an awesome afternoon as we split into teams and race around the globe to try and be the first team to complete all the challenges. As a team, you will navigate obstacles and activities like zorbing, water balloons, and mind puzzles – with plenty of detours and pit stops along the way.

Geocaching: Back this year for only the second time ever, we'll be using GPS to complete a scavenger hunt in our own backyard. Secret caches will be hidden throughout the Ward woods, and only the quickest team will be able to find them all and decipher the secret message!

Livonia Rec Center Swim Test & Fun: The 4th-7th graders will head to the Livonia Rec Center to participate in a swim test. Once the swim test is over, we will enjoy the lazy river, fly down the waterslide, play water basketball and more!

The Color Games: Get pumped for a messy and colorful afternoon! We will play some AWESOME large group games with a twist... colored powder (think color run) will be used for all of them in unique and messy ways! We will end our afternoon with an all-out color war and clean off on our 50ft slip and slide.
